FROM: Jonathan E. Fielding, M.D., M.P.H.
Director and Health Officer

SUBJECT: **NOTIFICATION OF A REVISION TO THE COOPERATIVE
AGREEMENT FROM THE UNITED STATES ENVIRONMENTAL
PROTECTION AGENCY**

On May 20, 2008, your Board approved Cooperative Agreement (CA) Number 08-024 which provides funding to the Environmental Health Division (EHD) to implement a fish contamination inspection, outreach, and education project, effective date of Board approval through June 30, 2011.

At the time of Board approval, the anticipated project date was May 20, 2008 through June 30, 2011. Upon receipt of the executed agreement, the CA's budget period and project period were revised to January 1, 2009 through December 31, 2011 due to internal delays by the United States Environmental Protection Agency's (EPA) in implementing the program. The fish contamination, outreach, and education project funding remains at the level of \$95,415.

This is to notify you that the Department of Public Health's EHD received CA Number 08-024 from the EPA with revisions to the budget period and project period of the agreement from date of Board approval through June 30, 2011 to January 1, 2009 through December 31, 2011.

County Counsel and the Chief Executive Office have reviewed and approved the Agreement.

If you have any question, or need additional information, please let me know.
